

Electronic Arts App Parental Controls

Controls & settings guide

Electronic Arts app parental controls can help you manage your teen's screen time and how much they can spend. Learn how to set up family accounts and more with this guide for PC.

1 How to set up a family account

To manage your children's screen time and spending, set up a family account with the Electronic Arts app.

To set up a family account:

Step 1 – Create **your own account** on the EA app before creating your children's. Use your own email and a password different from what your children or teens use.

| EA | | |

| Sign in as invisible ① | | |
| SIGN IN | | |
| | | |
| | | |
| CREATE ACCOUN | T | |
| | | |
| | | |

Step 2 – From the Electronic Arts app **home screen**, click on your **profile** in the top right corner. Click **settings**.

Step 3 – From here, you can manage your own account. Go to the **Family playtime** tab at the top of the screen to <u>add users</u> to your family.

2 Set up a child account

The Electronic Arts app gives parents the option to set up child accounts or teen accounts.

EA child accounts do not allow access to online play and requires parental verification. You can monitor their playtime and must add games for them.

To set up a child account:

Step 1 – Create a **new account**. Enter your **child's birthday** accurately along with your country. In the United Kingdom, any child under 13 will automatically receive a child account. Click **NEXT**.

Step 2 – Enter **your EA app account email**. Then, create a **username and password** for your child. Their password should be different from yours. **Confirm** that you give permission and click **CREATE ACCOUNT**.

| EA – × | EA |

| Do you want to create an EA account for your child? 🖸 | Privacy and Cookie Policy regarding my child's use of EA's services. |
| | |

Step 3 – Follow the instructions in **your email** to **activate their account**. You can access their account to monitor playtime settings and add games.

When they reach 13, you can upgrade their account to a teen account.

3 Where to add a teen account

EA app teen accounts allow online play and do not require parental verification.

However, you can set spending limits for children aged 13-17 and can manage their screen time.

To add a teen account:

Step 1 – From your account settings, click Family playtime and +ADD TEEN ACCOUNT.

4 How to manage screen time with playtime tracking

You can help manage your children's screen time by setting limits on the

f 🖸 🖸 in

Electronic Arts app.

For a child account, login to their account to monitor playtime. For teen accounts, follow the instructions below.

To track playtime:

Step 1 – From **your** account's **Family playtime** screen, scroll down to your teen's account and click **MANAGE**.

| a | EA | |

5 How to set spending limits

Child accounts cannot make purchases or access online play. However, EA app teen accounts can. So, set spending limits to help them manage their finances.

To set up spending limits:

Step 1 – From **your account**, go to **Family playtime settings** and select **MANAGE** next to your teen's account.

| | EA | | - a x |
|----------------------|--|-------------|--|

| | | | |

Step 2 – Scroll down to **Spending controls** and click **MANAGE**, which will open your internet browser.

Step 3 – Click **MANAGE** by your teen's account. Click **EDIT** and then **set the limits** for 'game and expansion' purchases and to 'microcontent' purchases. Then, click **Submit**.

⁶ Upgrade a child account to a teen account

Once your child reaches 13 in the United Kingdom, they can hold a teen account with the Electronic Arts app.

To upgrade their account:

Step 1 – Since you entered their birthday when creating their child account, they will receive a **notification** every time they login to the EA app. It will let them know they can age up their account.

Step 2 – **Login to the child's account** to make the change from child to teen. They must have **their own email** to do this. Before letting them use their new teen account, add it to Family playtime to monitor screen time and set spending limits.
