

Nintendo Wii Safety Controls & settings guide

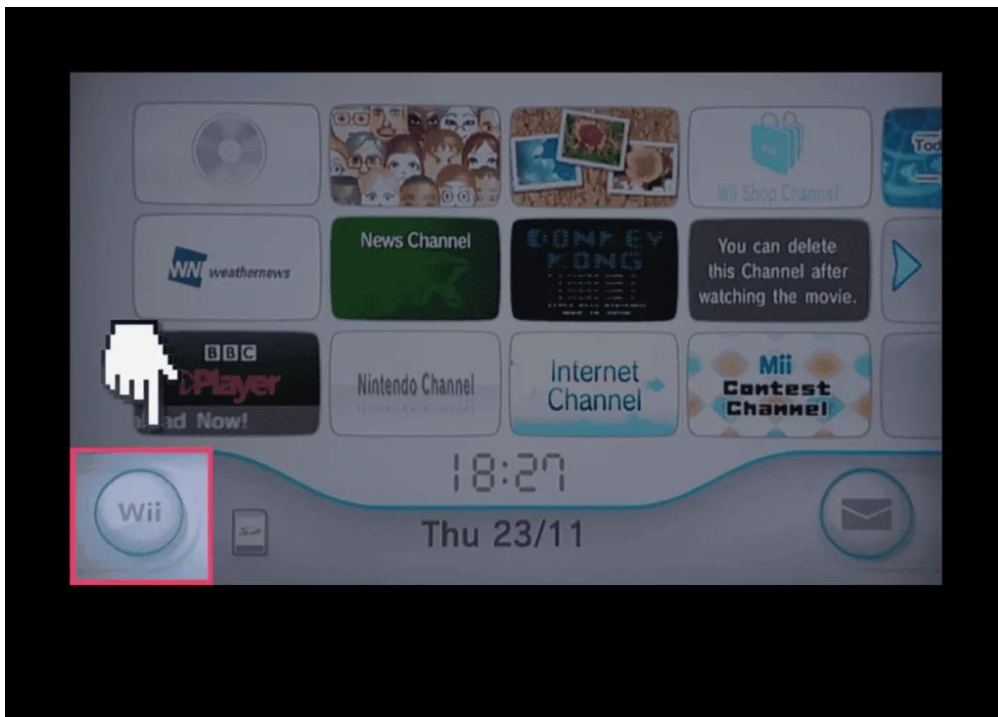

The Wii Parental Controls allow you to set restrictions, giving control over what games can be played or downloaded and how your children can search and interact online.

1

How to set parental controls on Nintendo Wii

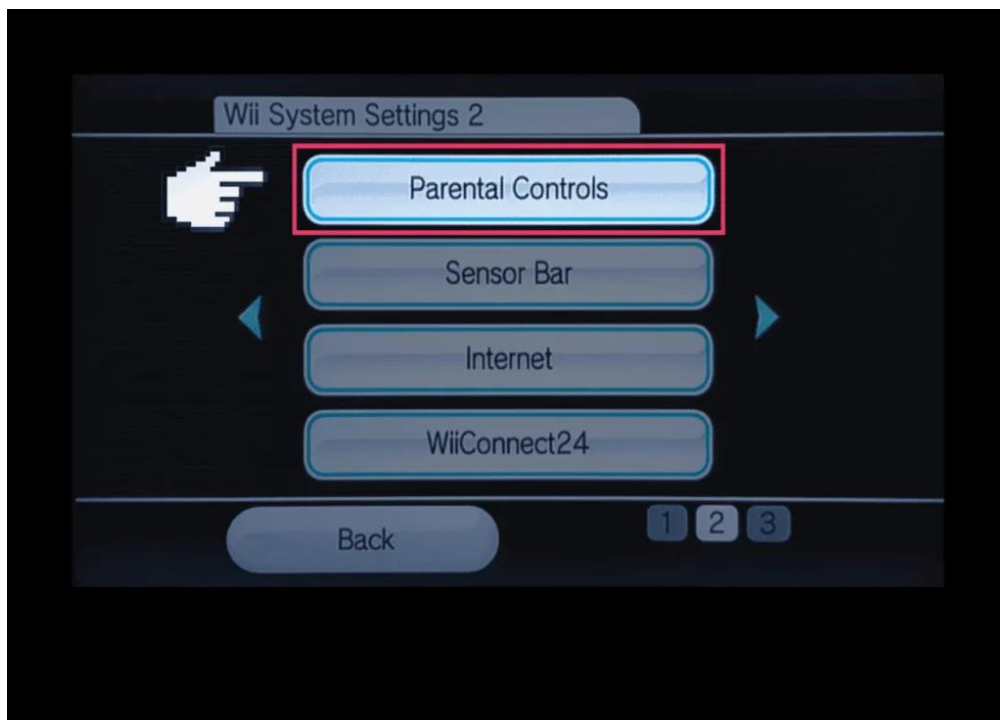

Step 1 – Go to Settings.

From the Wii Menu select the Wii icon in the bottom left of the screen and then select **“Wii Settings”** from the next screen.

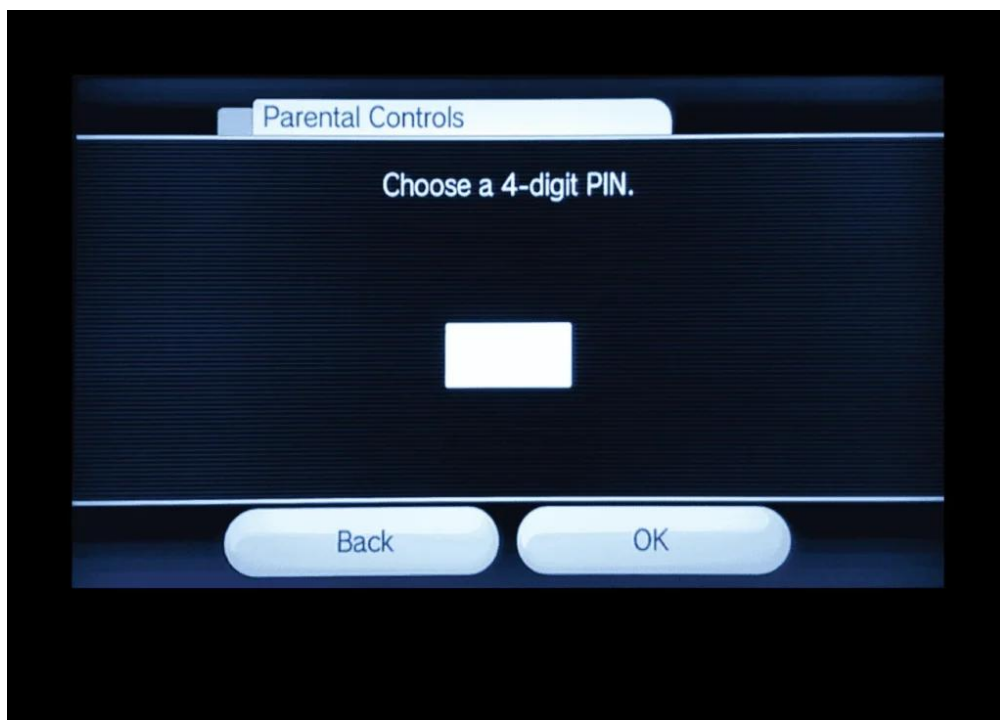

Step 2 – Select parental controls.

On the **“Wii System Settings”** menu move right and then select **“Parental Controls”**. Read and then confirm the next 4 screens.

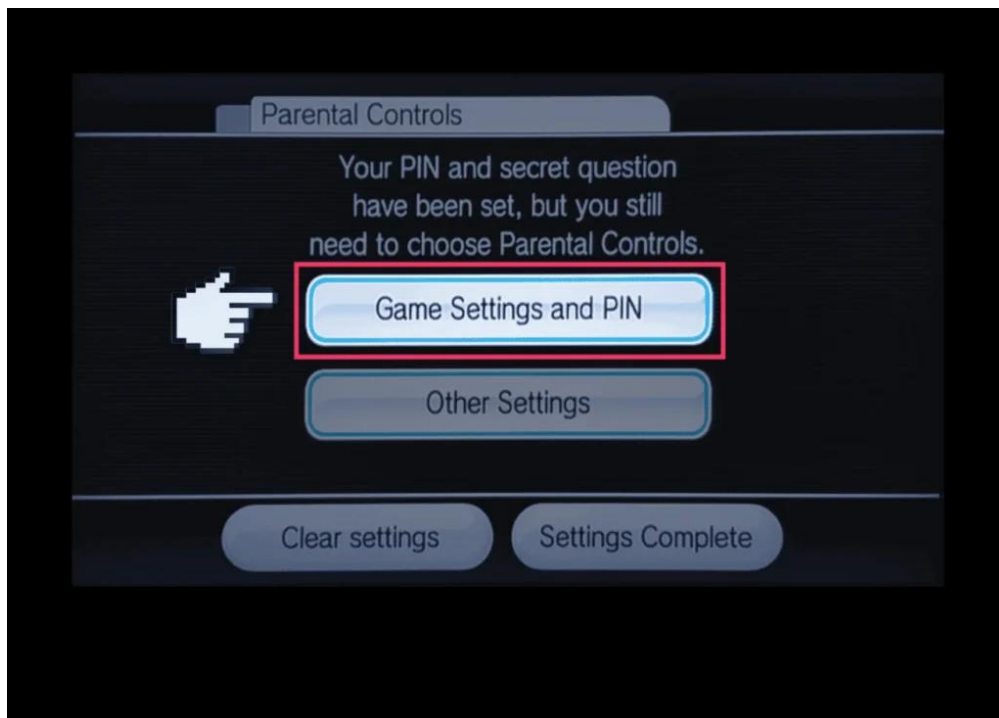

Step 3 – Choose your PIN.

Enter a 4-digit PIN that you will use to access the Parental Controls in the future. You will also be asked to set up a **“Secret Question”**.

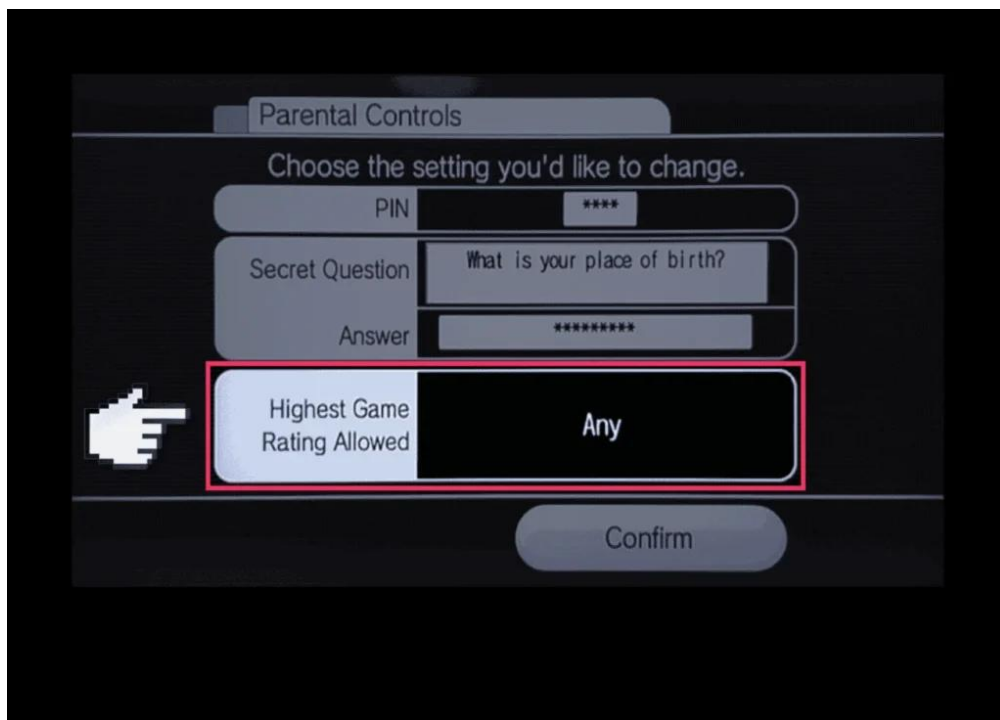

Step 4 – From the “**Parental Controls**” screen select “**Game Settings and PIN**”.

Step 5 – Select “**Highest Game Rating Allowed**”.

Then select the BBFC Age rating of games you would like to be accessible on the console. Press “**OK**” to confirm and then “**Confirm**” to confirm the settings change.

Step 6 – From the “Parental Controls” screen select **“Other Settings”**.

You can now select to Restrict Purchasing, Messaging, Access to the Internet Channel, and News Channel.
