Sonos Parental Control Guide

Controls & settings guide

Sonos allows you to set parental controls in order to restrict your child from listening to explicit content.

1 How to set parental controls in Sonos

Step 1 – Open the **Sonos Controller app**.

Available to download for iOS and [Android](#).

Step 2 – From the home screen, tap on the **gear icon** in the top right corner to open Settings.

Step 3 – Inside Settings, scroll down and click **General Settings**.

Step 4 – Tap on **Parental Controls**.

Step 5 –Toggle **Filter Explicit Content** to **On**.

Your child will now be unable to play explicit content on your Sonos.
