

Xbox One And Xbox One S Parental Controls

Controls & settings guide

Parental Controls for Xbox One X and Xbox One S can be set for each of your children's individual profiles, allowing you to prevent unauthorised purchases, ensuring your children only access age-appropriate content and restrict the ability to chat to strangers online.

1

When on the Xbox one dashboard select 'Settings'

2

Select the 'Privacy & online safety' menu

3

Select 'Child defaults' to restrict all adult content from the user

Or select '**Custom**' to customise the settings for your preference.

4

Select 'Use, but customise'

5

There will be a number of default privacy settings you can choose from

Select one and either keep the default settings or customise them to suit your needs.

6

Select 'content & apps' and choose the 'Access to content & apps menu'

7

Choose what age group you want restricted too
