Introduction to Protecting Personal Information Online

REGISTER FOR DIGITAL MATTERS

How much do you know about how to protect your personal information online?

To start, answer the following questions by filling in the I THINK box only.

After the lesson, fill in the I KNOW box with new information you learnt or more details about the information you already knew in the "I think" section.

---

1. What kinds of information should be kept private online?

I think…

I know…

2. List 3-5 things online users can do to make sure their personal information is secure when using the internet.

I think…
