Module 1: Understanding

Digital Spotlight: Health and Wellbeing

Digital Spotlight: Self Image and Identity

Conversations about Digital: Understanding

The following conversation starters can help gauge the level of understanding of each child in the family. Choose a topic for a whole family conversation, for example, at mealtimes. These questions are specially designed to help gauge the skills and understanding of each child. Allow all children to discuss their opinions. See the additional resources if a child needs help developing their skills and knowledge.

Digital Dice Dilemma

How about playing the Digital Dice Dilemma with your foster child? Alternatively, check out A Positive Star activity.

Resources

- Social networking and messaging apps
- UKCIS Digital Passport
- Supporting care experienced young people online
- Inclusive Digital Safety advice hub

Module 3: Nurturing

Connecting Safely Family Activities

For younger children or young people with additional needs, introduce the Connecting Safely Online Reward Chart. For older children, you may find the Connecting Safely Online Storyboard is a good way to help your child learn how to deal with issues such as inappropriate behaviour online.

Resources

- ‘What if?’ Scenarios
- Online reputation
- Reverse image search: Google Images or TinEye
- What is peer pressure?
- Are they really strangers?
- ‘I wish my carer knew...’
- Nudes and sexting
- So you got naked online?

• Reporting:
  - You can report child sexual abuse imagery to Internet Watch Foundation (IWF)
  - Young people aged 13+ can report their own images using the IWF and ChildLine ReportRemove tool
  - Online child sexual abuse/exploitation should be reported to CEOP
