Features and Benefits

The PS Vita Parental Controls can make the handheld console safer for your children by restricting games or videos with mature content, disabling the internet browser and blocking adult sites, and restricting how your child can chat on the PlayStation Network.

What specific content can I restrict?

Browser Access Chatting Game Ratings Inappropriate content Privacy and identity theft Purchasing

What do I need?

The PlayStation VITA console you wish to apply restrictions to.
Open the “Parental Controls” application from the home screen. If you are prompted for a 4 digit PIN number the default is “0000”.
Tap on “Change Passcode”.
