Features and Benefits

Samsung Family Hub™ is a refrigerator with a Wifi enabled touchscreen that lets you manage your groceries, connect with your family and stream music, radio or mirror a compatible TV. You can manage security controls and set restrictions on Family Hub features and apps to make it safer for the whole family to use.

What specific content can I restrict?

Apps Access

Browser Access

Purchasing

Timer

What do I need?

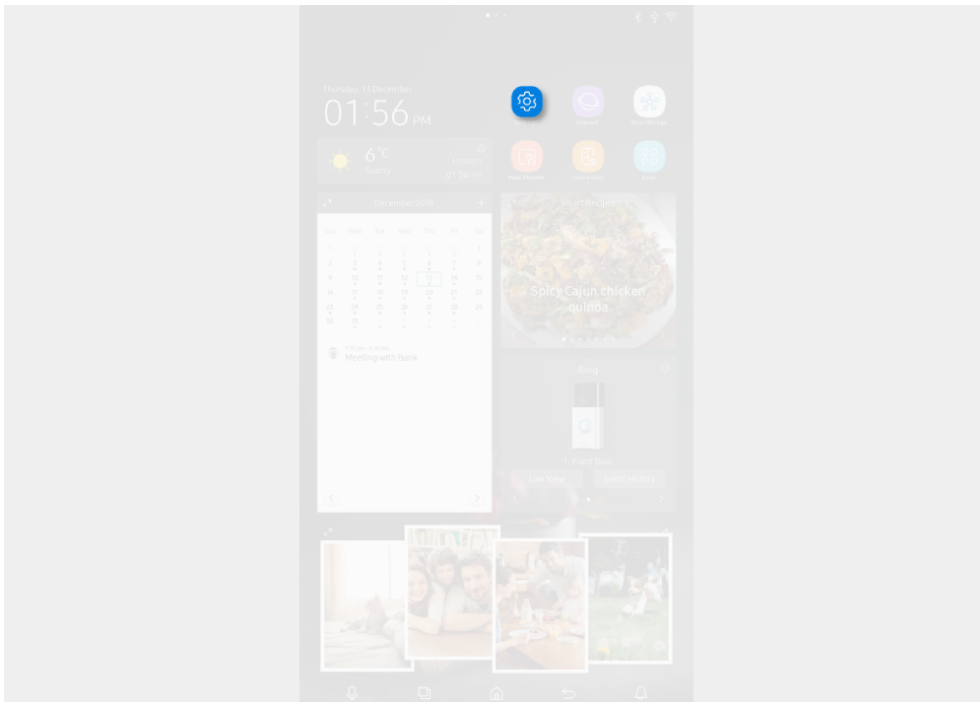

Samsung Family Hub™ refrigerator and Samsung account

Samsung Family Hub Controls guide
